

MATRIOTS®

Thank You for Growing Our Hive!

Thank you for going above and beyond to support The Matriots PAC and Ohio women running for elected office. By hosting a house party, you are growing the collective impact of The Matriots while amplifying your own investment in Ohio women and families.

WHAT IS A HOUSE PARTY?

A house party is a fun and personal way of introducing your friends, family, coworkers and neighbors to the mission of The Matriots. By hosting a party in your home or other venue, you are sharing your commitment of electing more Ohio women with your network while connecting other like-minded people to our Hive.

From start to finish, house parties typically last 90 minutes. This includes time for socializing, program agenda and Q&A.

For The Matriots, the goals of a house party are to:

1. Introduce people to The Matriots and get women engaged in the political process in Ohio.
2. Sign up new Matriots who will invest in women candidates.
3. Provide updates on latest events and activities for current members in attendance.

WHAT YOU CAN EXPECT FROM THE MATRIOTS:

We know you are busy, so we do our best to ensure that your house party planning is easy. The Matriots pledge to:

1. Design a digital invitation and collect RSVPs.
2. Provide you with a link to a real-time RSVP list.
3. Bring and set up all necessary brochures, handouts, buttons, pens and forms for your party.

4. Attend your event (Matriots staff and/or member of the board of directors).
5. Draft an agenda for the speaking portion of the event, which includes a request to join.
6. Serve as a resource for you and all your guests moving forward.

WHAT THE MATRIOTS EXPECT FROM HOUSE PARTY HOSTS:

To ensure a successful event, we ask house party hosts to:

1. Be a member of The Matriots.
2. Use the provided Matriots branded invitation to invite at least 25 people.
3. Share your email invitation list with The Matriots prior to the event.
4. Provide light refreshments.
5. Provide a table for membership materials.
