N = 17,412

PROPORTION OF ELECTED FEMALE OFFICIALS BY LEVEL OF GOVERNMENT

PERCENT OF ELECTED FEMALES BY TITLE

* The Matriots® partnered with Measurement Resources Company to gather and analyze data. The list of office holder names or gender included in the study was gathered from the Ohio Secretary of State's office and from the Center for American Women and Politics at Rutgers Eagleton Institute of Politics. Gender estimates were calculated using a statistical computing software. All data is for service term, 2018.
